	Page
Foreword	1
I. Coal and the General Problem of Productivity in West German Industry .....	3
II. The Need for More Coal Production .....	8
III. A Summary of Obstacles to Higher Production .....	11
A. Reasons for Lower Productivity .....	11
B. Factors Limiting Further Increases in the Number of Menshifts Worked .....	16
C. Lack of Sufficient Mechanization and Concentration in the Mines .....	19
IV. Previous Efforts to Meet the Coal Shortage .....	21
V. The Committee to Increase Coal Production .....	27
A. Reasons for Formation .....	27

B. Formation of the Committee.....	28
C. Organization and Functions of the Committee .....	30
D. The Role of Labor in the Coal Production Committee .....	33
VI. The Sub-Committee on "Social-Political" Questions .....	36
A. Objectives of the Sub-Committee .....	36
B. The "Participation-in-Results" Agreement .....	40
C. Union/Management Production Committees .....	44
VII. The Sub-Committee on Rationalization and Investments .....	45
A. Mechanization .....	46
B. Concentration and Other Rationalization Measures .....	53
C. Technical Assistance .....	55
D. Investment Programs .....	57
E. Substitute Fuels .....	65 m
F. Price Increases .....	66
VIII. The Sub-Committee on Housing for Miners .....	67
A. The Program to Construct 92,000 Miner's Dwellings .....	68
B. The MSA Miners' Housing Program for 1952 .....	76
IX. The Sub-Committee on Public Information .....	89
X. The Sub-Committee on Fuel Efficiency .....	92
A. Recent Trends in Fuel Efficiency .....	92
B. Proposals of the Rationalization Council for the German Economy (RKW) .....	94
XI. Evaluating the Success of the Coal Production Drive .....	97
A. Summary of Production Trends Prior to the Current Drive .....	97

ENCLOSURES

- No 1 Text of Tariff Agreement Providing for "Participation-in-Results" System
- No 2 Articles on the Miners' Housing Program Translated from "Bergbau und Wirtschaft", the Magazine of the Mine Workers Union
- No 3 Regulations for the MSA Special Miners' Housing Program for 1952
- No 4 MSA Miners' Housing Program - List of Projects and Mines Served
- No 5 Proposed Coal Publicity Projects for MSA Financing
- No 6 RKW Conservation Campaign - Proposed Costs for 1952
- No 7 Selected References

Approved For Release 1999/09/10 : CIA-RDP83-00423R000300040001-3

LIST OF TABLES

25X1A2g

<u>Number</u>		<u>Page</u>
1	Output per man-hour in selected industries (Western Germany: June 1948 - October 1951)....	6
2	Postwar productivity compared to prewar (major Western European hard coal mining areas).	7
3	Age structure of workers in the Ruhr hard coal mines--prewar and postwar .....	13
4	Postwar turnover rates (Western German hard coal mines) .....	13
5	Employment in the West German hard coal mines-- prewar and postwar .....	17
6	Absenteeism by cause (Western German hard coal mines)--prewar and post war .....	18
7	Overtime shifts and shifts lost--prewar and post war (Western German hard coal mines) .....	19
8	Concentration of production--clean coal per face in the Ruhr district--prewar and postwar .....	20
9	Modern faces compared to old-type faces--flat seams in the Ruhr hard coal mines--June 1951 ...	47
10	Fully and partially mechanized faces (Western German hard coal mines; Jan 1951 - Mar 1952) ...	50
11	Estimated capital requirements--(Western German coal mines) .....	59
12	Estimated available capital .....	60
13	Ruhr miners' postwar housing construction activity .....	69
14	MSA miners' housing projects for 1952--location and distribution of funds .....	87
15	Efficiency of fuel and power utilization by industry (Western Germany: 4th Q 1949 - 4th Q 1951) .....	92
16	Changes in efficiency of fuel and power consumption--selected industries (Western Germany: 4th Q 1949 - 4th Q 1951) .....	93

Approved For Release 1999/09/10 : CIA-RDP83-00423R000300040001-3

<u>Number</u>		<u>Page</u>
17	Improvement of Specific Coal Consumption in Public Utility Power Stations (Western Germany 1948 - 1951) .....	93a
18	Coal Consumption by Steam Locomotives (German Federal Railways; 1948 - 1951) .....	93b
19	SUMMARY TABLE--Hard coal production, employment, productivity, absenteeism, and overtime trends (Western Germany; prewar and postwar) .....	98
20	Hard coal production, employment, and productivity--September - March gains for past 4 years (Western Germany) .....	103
21	Average daily hard coal production--first five months of year compared with previous fall peak - 1949, 1950, 1951, and 1952 (Western Germany ) .....	105
22	Average daily hard coal production by month - percentage increase over corresponding month in previous year (Western Germany - Jan - May; 1950, 1951, 1952) .....	107
23	Changes in output per manshift underground compared to basic agreed efficiency under the new premium pay plan--January to April 1952 .....	111
24	Output per manshift underground (Western German hard coal mines: Jan - May, 1949 - 1952) .....	113
25	Turnover developments (Western German hard coal mines; Oct - April 1948/49 - 1951/52)	

LIST OF GRAPHS AND CHARTS

1	Coal productivity program--organization chart ....	32
2	Hard coal production gains and losses per year by cause (Western Germany; 1947, 1948, 1949, 1950 and 1951) .....	99 and 99a
3	Western German hard coal production--prewar and postwar--total tonnage, tonnage from normal shifts and from overtime shifts, and tonnage lost due to shifts not worked .....	100
